

Ed Easter is a guy  
 With a gleam in his eye  
 Most of the time,  
 This is no crime.

An occasional frown  
 When the market is down,  
 And, when Bale buys on the highs,  
 Ed's ire does rise.

Clint - "I have an order in  
 between if it will  
 help?"

Anonymous Voice -  
 "Sorry, Martin already  
 helped us."

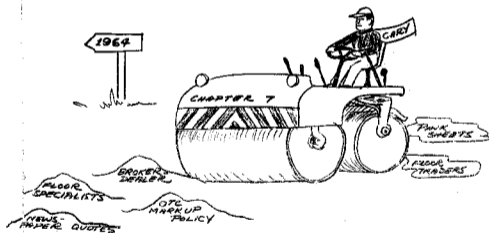

F.I. duPont  
 "WE MAINTAIN A MARKET IN OTHER FIRMS,"  
 Said John Packo, expensively.

"THAT JUST ABOUT SUMS UP  
GRANAT - HE GETS THE  
OUTSIDER'S NEWSLETTER."

From Third to Second  
Took so long.  
"Did I make  
The markets wrong?"

First it was Ed,  
Now it's Paul.  
"Do you think  
I've a chance at all?"

I dream of the day  
When I can order,  
"Move the market  
Down a quarter!"

THE BOTTOM OF THE BARREL

Ed MacLeod was chairman of the Food Club's  
Christmas Party Program this year. At this  
writing we don't know how it turned out, but  
it's certain to have been low humor.

Glenn Hinton, Ted Beattie and Bob MacRae  
All testify that the best way  
To make one's clients squira  
Is to operate your own firm.

Out of Maple Valley comes  
old Clyde -

Quick of wit,  
Thick of hide.

At the desk  
By Clyde's side  
Is a guy who's usually fried.

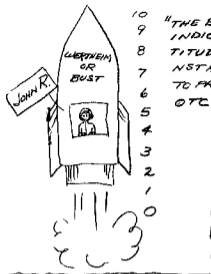

Never trained to trade or think  
He is the world's  
Biggest fink!

"With the addition of another partner,  
and the consequent doubling of our capital,  
we are proud to announce that we can now  
bid on blocks of five bonds."

Howard Jones, Jr.

There is a boy  
Named McElroy,  
Considers a car  
His personal toy.

Has 'em stole,  
Stacks 'em up,  
Has a wife  
At Harris Up.

We saw Tony Frederick selling apples for  
10 cents the other day-----or was that  
stock you were peddling, Tony?

AND YOU SHOULD BE!

THIS IS LIKE TRYING TO GET IN THE BATHROOM AT MY HOUSE IN THE MORNING.

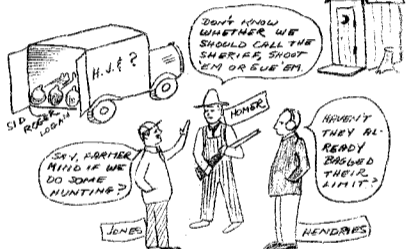

WHAT?

IF I COULD SEE THE TURRET I'D BE AT THE FRONT OF THE LINE.

THERE'S NO ROOM HERE FOR JIM SR. AND P.L.

Our Sid

Our association is grandly blessed,  
By a man who is always addressed.  
(With assorted titles)  
Offices held by this man are so numerous,  
That they are thought be some as humorous.  
(Such an attitude)  
But on making a closer inspection,  
We find he can go no other direction.  
(What else would he do?)

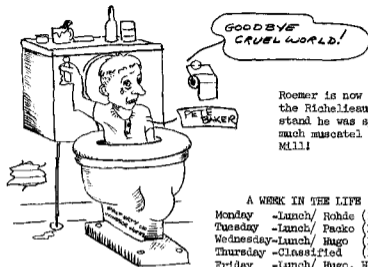

"THIS AINT NO TURKEY SHOOT, FELLA'S."

OPPORTUNITY MISSED

John Waller to himself, "Just think, if I had just played my cards right, I could now be Manager of the Trading Department of H, J & X. With assistants yet!

"Come to my room, girls, and I'll show you my treasures," said Rod Richly.

Roemer is now eating at the Richelieu--We understand he was spilling too much muscatel at the Red Mill!

A shy timid voice comes over the phone, saying, "Have mercy, I'm all alone. There is this appraisal that I must make so that my percentum I can take."

"Since this pays the rent, I must make haste, because calling my clients has been a waste. If it weren't for the courthouse and its wonderful patronage, I fear of hunger, I would die at any early age."

"As the largest Bank in the State, We're entitled to The worst investments results."
